

LOS ANGELES CITY COLLEGE
LAH3C Meeting – July 6, 2016

Introductions

Everyone introduced themselves and stated their roles with the grant. There several new faces in the room.

Introductions

II. Technology News– Linda Delzeit

- Improved directions are needed for the QR code
- Transition period is in place
- Video will be created once everything is settled
- Competency Exams issuance
 - A course section from LACC the students are moved in
 - How to issue digital badges?
 - One person at each college responsible for digital badges.

III. LAH3C Mock Interview

a. QR Codes & Digital Badges

- 22 students for mock interviews from three colleges
- 16 attended
- 5 or 6 employers participated
- Ongoing challenge: creating resume and eportfolio that have digital badges from the classrooms reflected with QR codes. Huge gap and inconsistency reviews from employers.
- HOC 65: Resume building is emphasized at LATTC
- Is a training needed with the faculty? Perhaps meetings at individual campus or video training is a possibility. Train faculty to issue the digital badges (ask Linda D).
- Resume's presented at mock interviews need to be consistent with the curriculum

IV. Quarterly Report

- a. Due July 14, 2016 (Thursday)
- b. Work off the most current report submitted
 - a. April 2016 thru June 2016
